(2) No manufacturing or commercial enterprise, or enterprise of any kind for a profit, shall be maintained upon, or in connection with any Lot, nor shall the same be used in any way for other than strictly residential purposes, nor used or occupied injuriously to effect the use, occupation or value of the adjoining or adjacent premises or the neighborhood where said premises are situated for residential purposes.

(3) In the event Developer, Whitetail Lake Association hereinafter referred to as the "Association", any Sanitary Improvement District, or any other governmental entity shall install or cause to have installed sewer collection lines to a point proximate to the property line of each Lot or on the road adjacent thereto, connection by the Lot Owner to the facilities of the district shall be mandatory.

(4) Only a single family residential dwelling in conformity with these covenants shall be erected on any Lot and any other building, structure or tent is hereby prohibited unless otherwise allowed by these covenants.

(5) Each dwelling constructed on a lot shall contain a minimum of One Thousand Four Hundred (1,400) square feet of fully enclosed floor area devoted to primary living space (exclusive of roofed or unroofed porches, terraces, garages, basements, including "walk-out" basements or other structures) and shall include therewith a garage capable of housing at least one conventional automobile. A maximum of two (2) buildings shall be permitted on each lot, one of which shall be utilized as a residence, with the other building serving as a garage, studio, greenhouse, utility building or combination thereof. (2) An Owner desiring to erect an Improvement to any Lot shall deliver to Four-N Corporation at time of closing of the sale of the lot to owner a \$1,000 construction impact deposit made payable to "Four-N Corporation," the Developer. The construction impact deposit will be deposited into Developer's operating account and any interest shall accrue for the benefit of the Developer only. If, in the sole and absolute discretion of Developer, the Owner or its employees, independent contractors, successor or assigns, fail to adequately maintain Owner's Lot and surrounding area free of debris, construction materials, dirt and other impacts from said construction, then the construction impact deposit may be used by Developer, in its sole and absolute discretion, for upkeep and maintenance of the Owners's Lot and surrounding Lots which may be impacted by construction activities on Owner's Lot, which may include but is not limited to: removing trash or cleaning the street. Owner, by payment of the impact deposit to Developer, grants all necessary approvals, easements and licenses to Developer and any of its respective representatives or contractors to carry out the intentions of this paragraph. absolute discretion, undertakes any actions due to impact by construction activities from Owner's Lot, Owner agrees to hold Developer, Association and their respective representatives and contractors harmless from any and all claims, demands, complaints, cause of action and liabilities relating thereto, from any persons whomsoever. It is Owner and/or its representatives or contractors responsibility to make sure that concrete trucks do not clean out their trucks on lands located within Whitetail Lake Subdivisions. If this does occur, Owner is responsible for the clean up in the same manner and cost as set forth in Paragraph E. (2) hereof.
